MINUTES  
GENERAL MEETING  
December 10, 2015

The meeting was called to order by President Karen Skinner.

After announcements, the drawing was held for the Opportunity Quilt.

The next Steering Committee meeting will be January 19, 2016, at Temple Israel.

After acknowledging the contributions of committee chairs during the past year, outgoing President Karen Skinner called new officers to be sworn in. President-Elect Peggy Allen and Treasurer Heather Strickland were unable to attend. Incoming President Pam Doffek, Membership Vice President Susan Dickerson, and Secretary Judy Stricklin repeated the Oath of Office written (in rhyme) by Karen Skinner, and the Torch of Leadership was solemnly passed.

The meeting continued with Show and Tell and demonstrations of quilting techniques.

Respectfully submitted,  
Judith Stricklin
