Classified Ads -- Instructions

This part of the Newsletter has now been separated into a stand-alone document. Only **Guild Members** can list items for sale or free-to-a-good-home.

Email your ad/notices (for now) to the Newsletter Editor (Karen Skinner) at newsletter@quilttallahassee.com. Briefly describe the item and asking price. If desired, attach one small picture in JPEG format -- it may or may not be included in the listing, depending on whether there are technical difficulties with "capturing and inserting". Include your name (and city if the item is bulky/large, and there may be special considerations for pick-up), but not an address.

Deadlines for submittal for a particular month's issue are the same as for all other Newsletter articles. **Your item will be posted for only one month per email submission. If you need to list it again, send another email to the Newsletter Editor.**

ALL NEGOTIATIONS AND PROBLEMS WITH A SALE ARE BETWEEN THE BUYER AND SELLER. WE CANNOT HELP YOU.

Fabric for Sale

Good news for you. I moved and lost my "Fabric Room". Yes, I did have one room totally devoted just to fabric and all things quilting. So, for me it is time to de-stash. My collection of hand painted and batik fabrics are for sale. There are other fabrics as well. Especially, lots of Christmas fabrics (get a head start on items for Christmas 2017). Call Barbara Wiggins for an appointment to plunder through the stacks of fabric. 850-545-1677

New Joy Gold Standard Machine Quilting Frame. Asking \$450
Sit down in front of a frame! Easy on the back! Has parts for the crib size setup (5 foot), full size (10 foot), and an extension for the crib-size to make a mid-size frame of 7-1/2 foot. This frame works well in narrow spaces, as is only 36" deep, with a pantograph shelf above the frame. Works with most domestic sewing machines with a throat space of 8" or more, but sewing machine not included. Carriage of frame has speed controller controls {does not come with a stitch regulator!!}. The wiring for these controls is for a Janome 1600 sewing machine.
