

Our theme for September is Judaica. Temple Israel has been very generous to Quilters Unlimited; good rates on our monthly meeting, space for Bits & Pieces sit and stitch, a place to hold our Steering Committee meetings. So, this month's blocks celebrate many of the good things from Jewish themes, not any particular holiday or event.

As Lyn and I have said, and to iterate for those who are new, the blocks we make this year will be assembled into nap quilts for the Temple Preschool. Our hope is to have a Judaica themed block on the back (or back and front???? Let's make more blocks!) of each quilt in addition to the other blocks that make up each individual quilt.

Our provided patterns this month are: Rail Fence (pieced), Star of David (pieced and applique), and dreidel (foundation pieced and applique). The Old Testament colors related to Jewish embroidery are purple, gold and crimson. Other celebrations include the colors of blue, silver and white. This gives you a broad spectrum to work with, either prints or solids. Some of you may also have some themed fabrics in your stash (I got a piece several years ago at a fabric store).

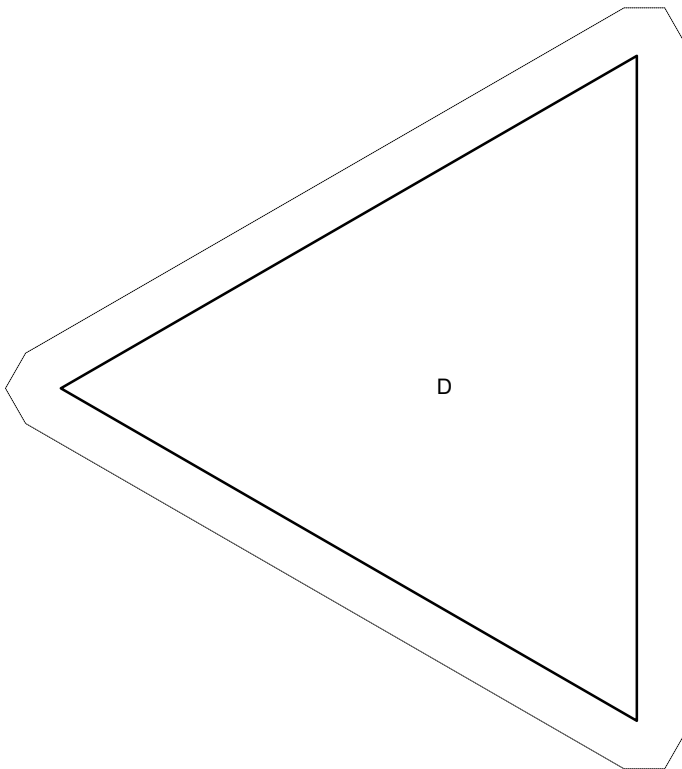

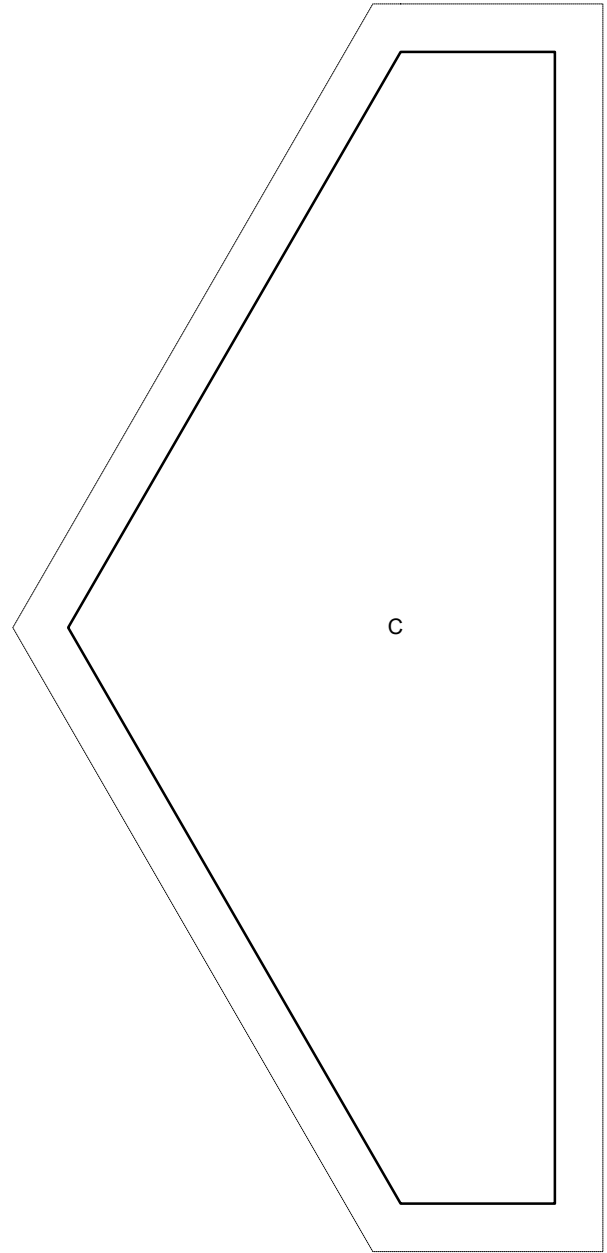

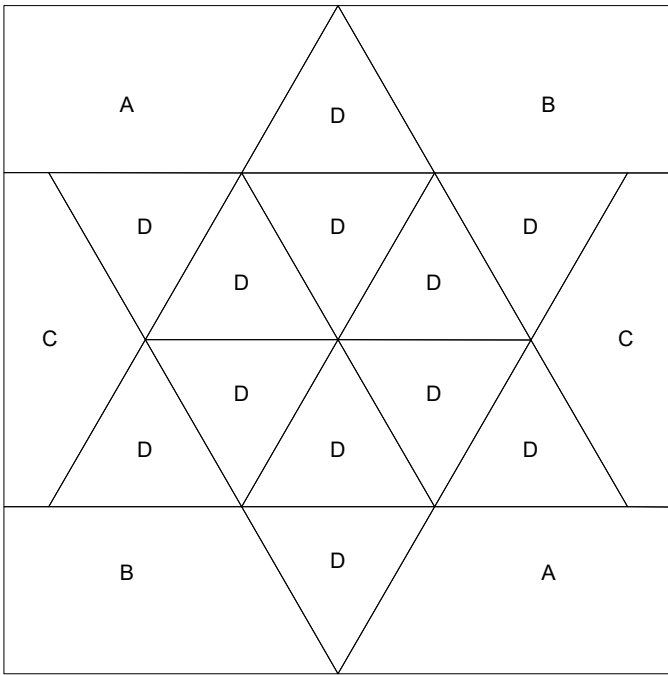

So let's celebrate all our Jewish friends and give back to Temple Israel in the way we know how; make a block (that will become a quilt.)

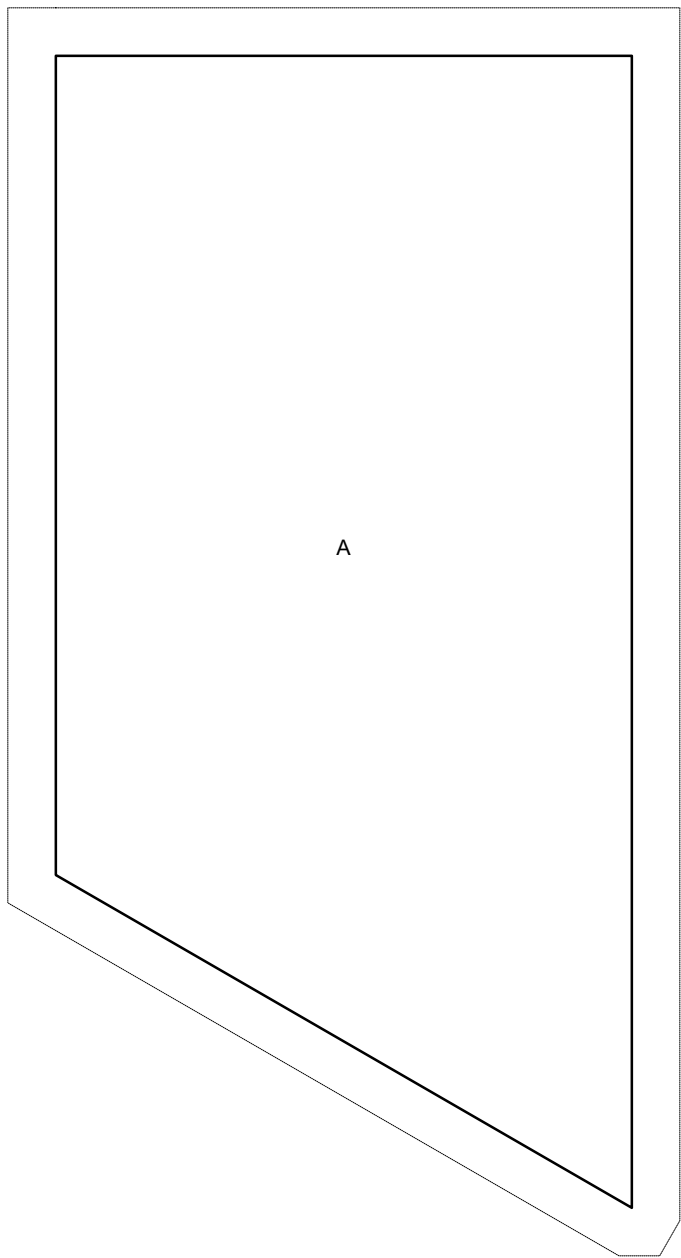

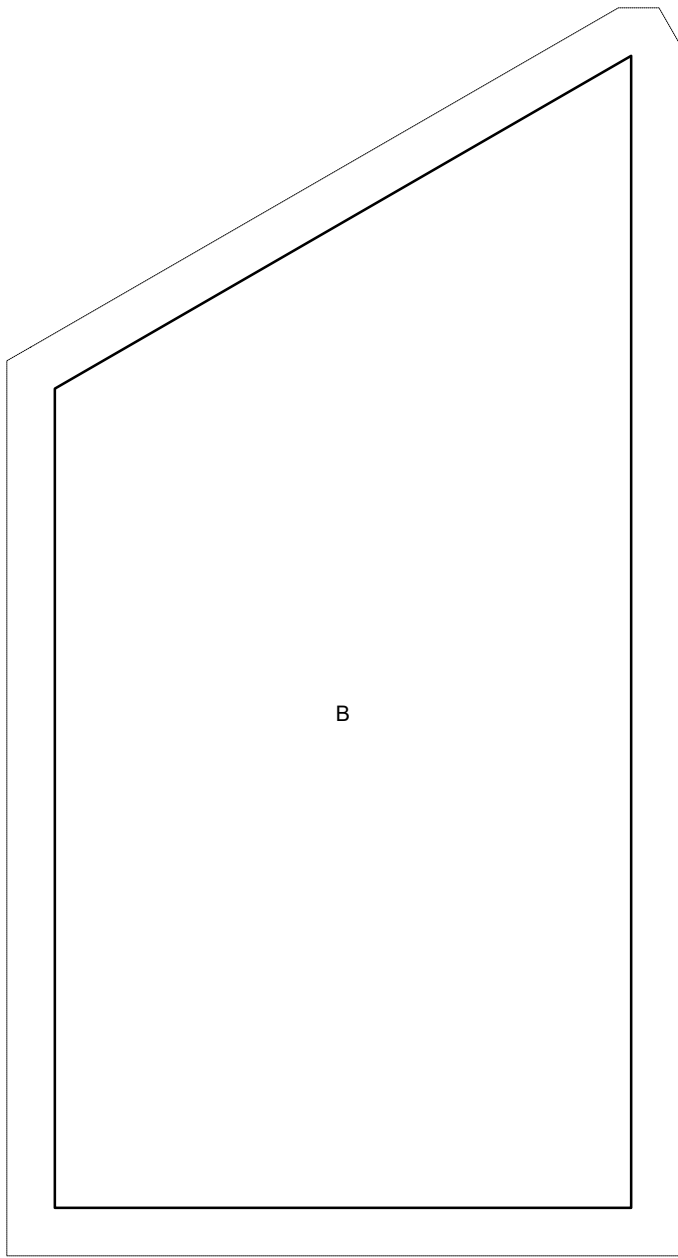

SEPTEMBER 2018 QUILTERS UNLIMITED BLOCK OF THE MONTH JUDAICA

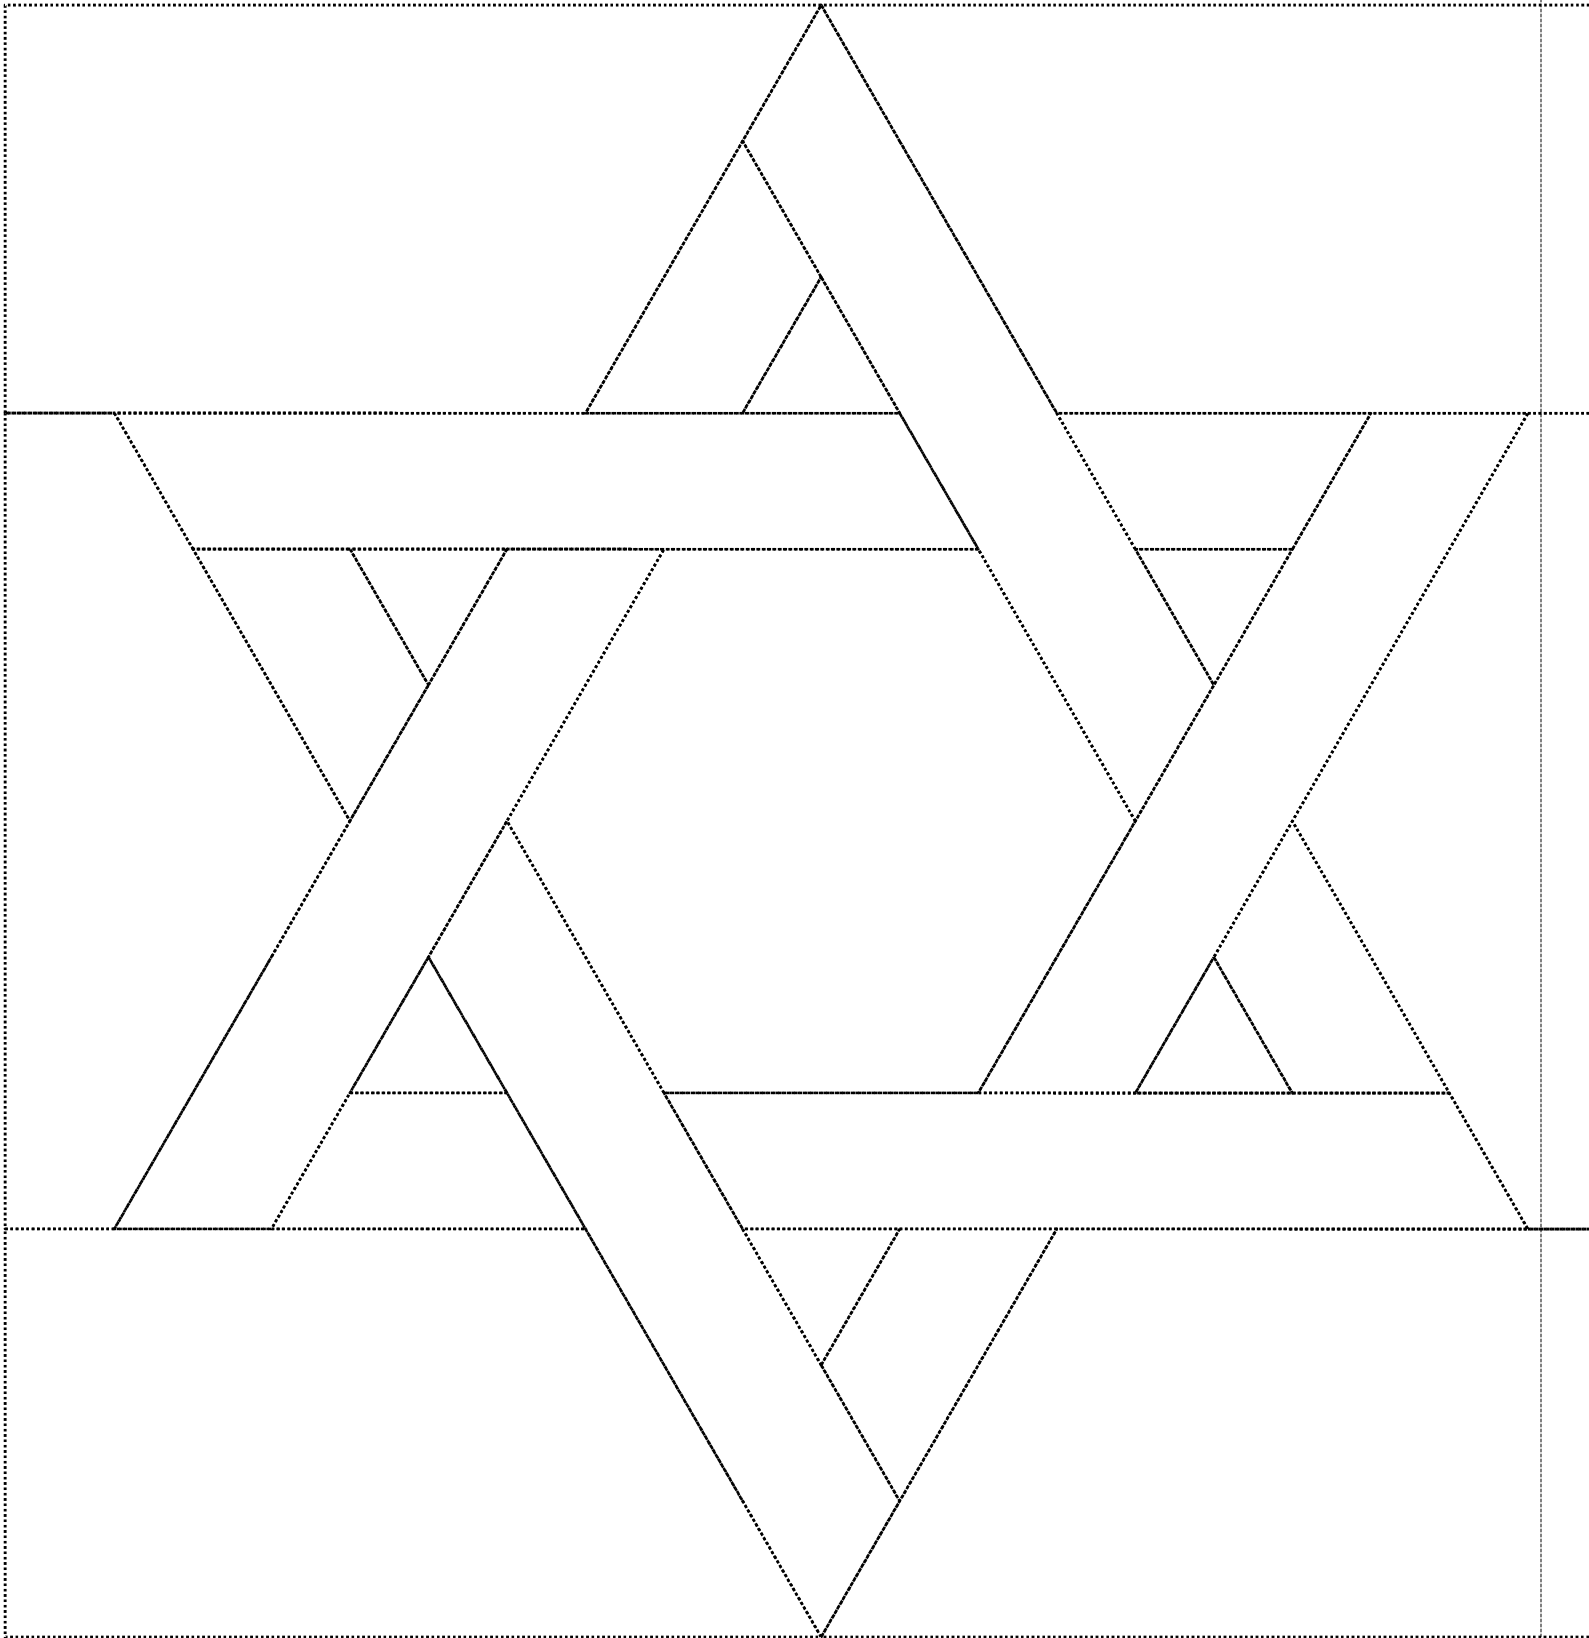

SEPT-Star of David-pieced

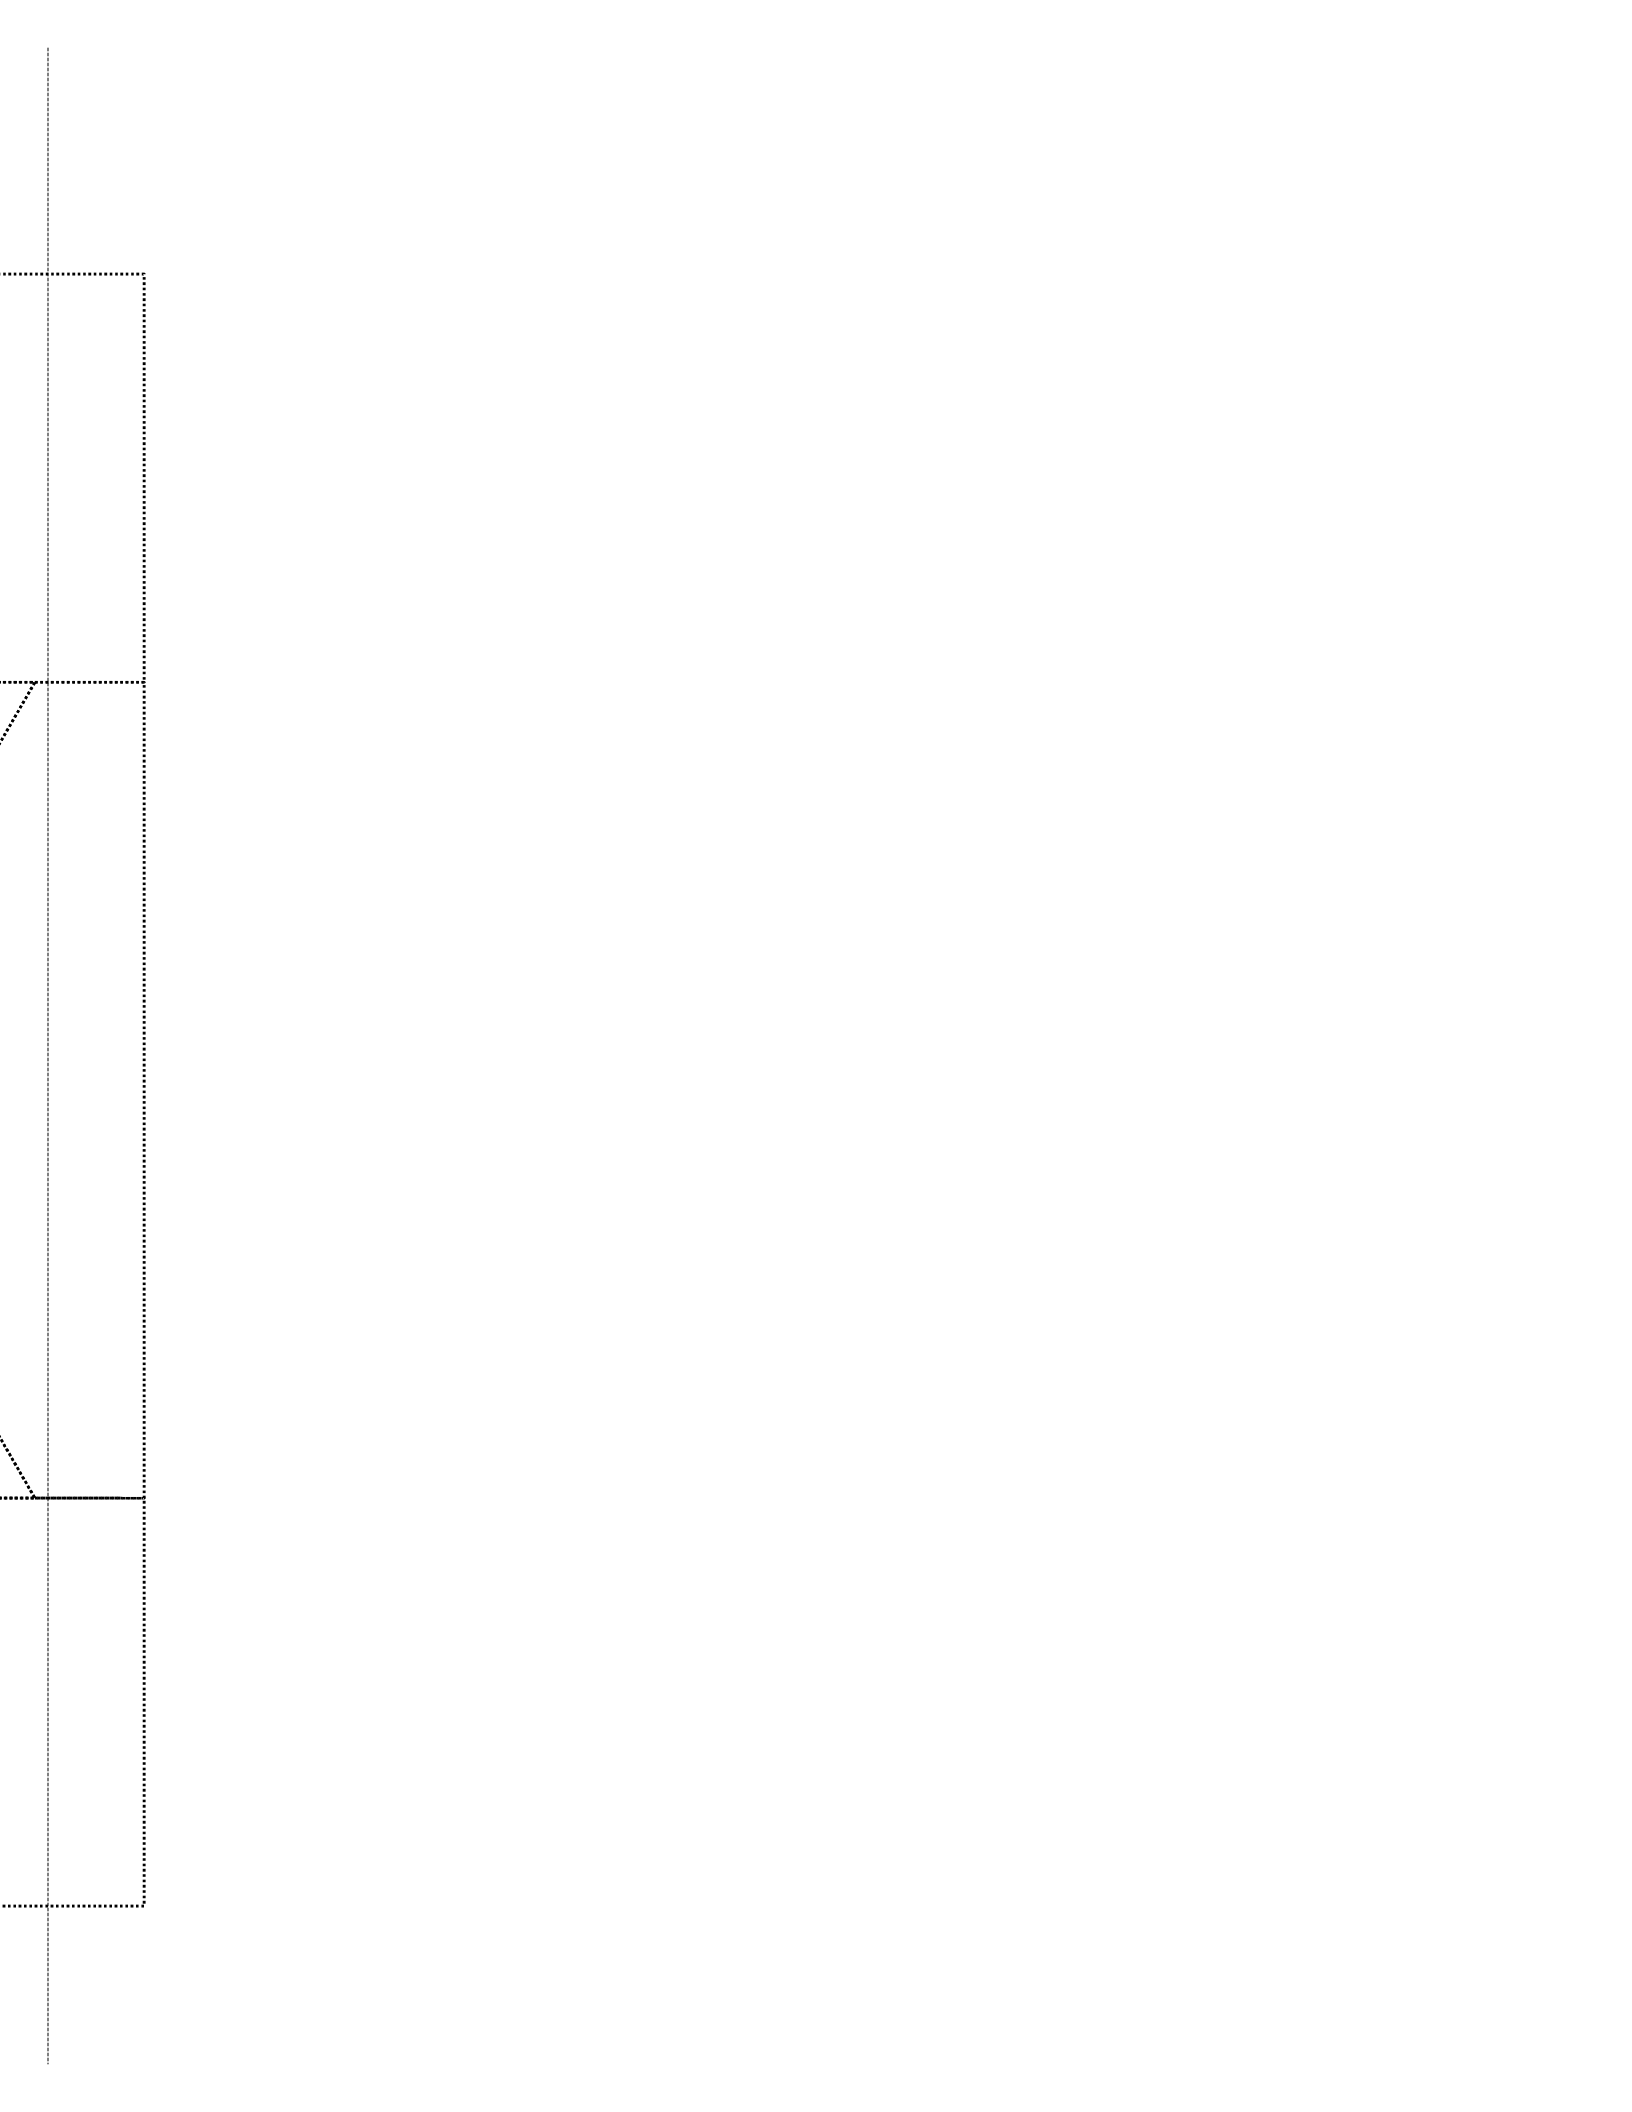

Key Block (29/100 actual size)

SEPT-Star of David 3-bias tape-outline pattern

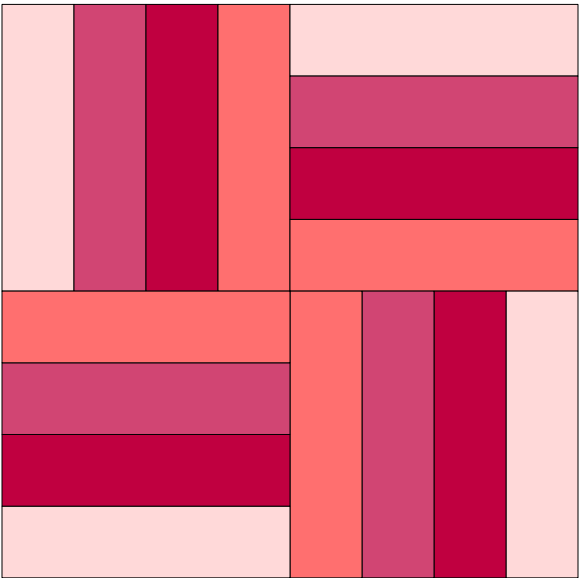

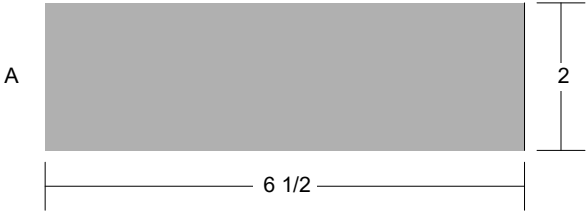

SEPT-Rail Fence-Judaica

Key Block (1/5 actual size)
