Pre-cut rectangles of fabric (two coordinating pieces per bandana)

Sewing and bobbin thread to match

Iron

Instructions

1. Iron fabric, if needed.
2. Finish cutting out the bandana pieces per provided diagram (double check that the fabric rectangles are sized appropriately).
3. Put the right sides of the fabric together and straight stitch a 1/2" seam across the top.

4. Open up the seam and iron it flat.
5. Stitch down 1/2" along each side and then press.

6. Lay the right sides together and sew along each diagonal.

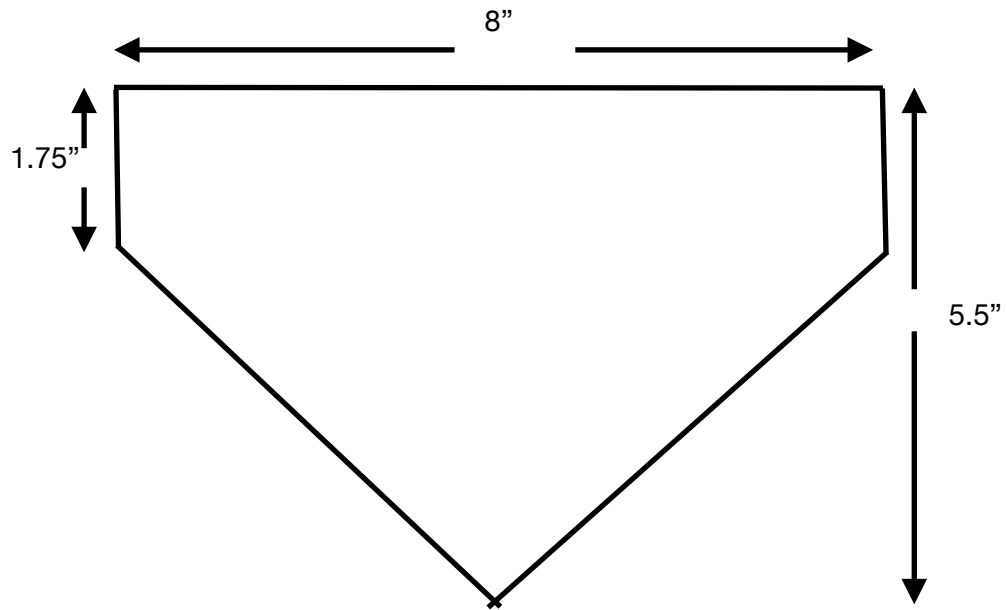

7. Turn the bandana right side out and press.
8. Topstitch along each diagonal and across the top.
9. Stitch a line parallel to the top right above where the diagonals start.

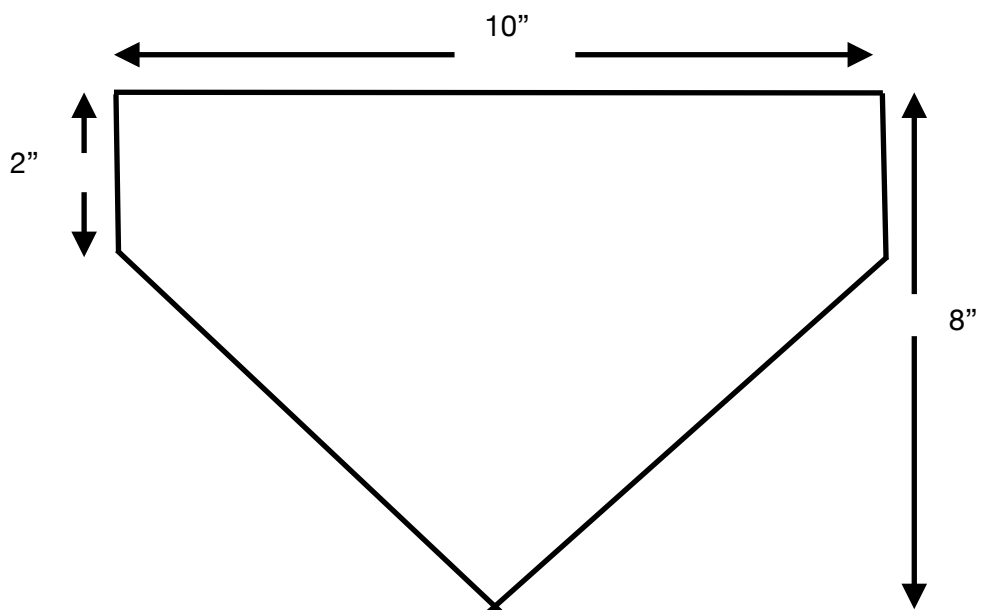

10. Finished product
